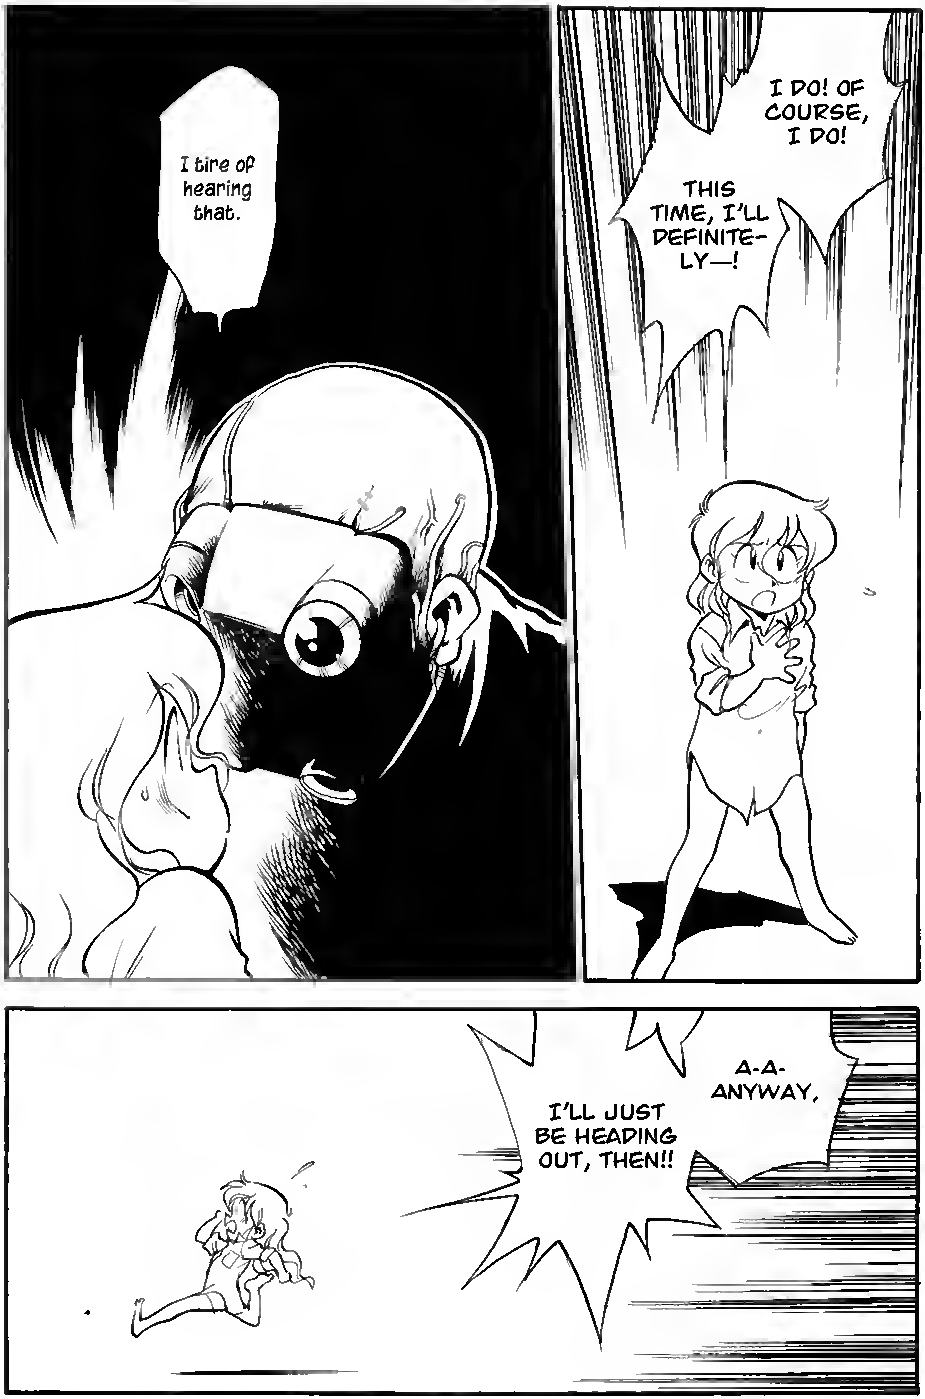
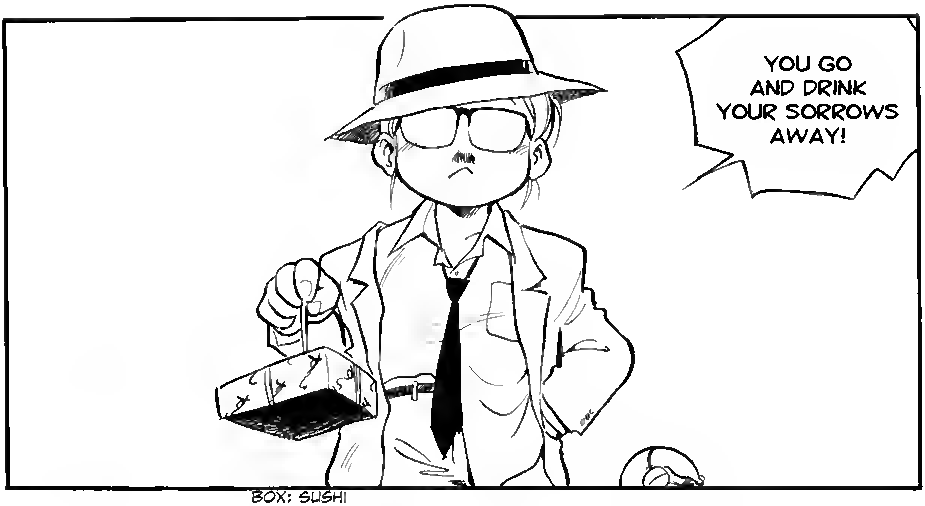
Remy?
You've failed yet again,
Wahhaman seems to be more than you can handle.
In any case, it would appear that I have sorely overesti-mated your abilities...
...Well, that's—
But I don't think you entirely understand that.
Even as we speak, he continues to come ever closer, drawing nearer and nearer until he finally kills me.
Making excuses, now?



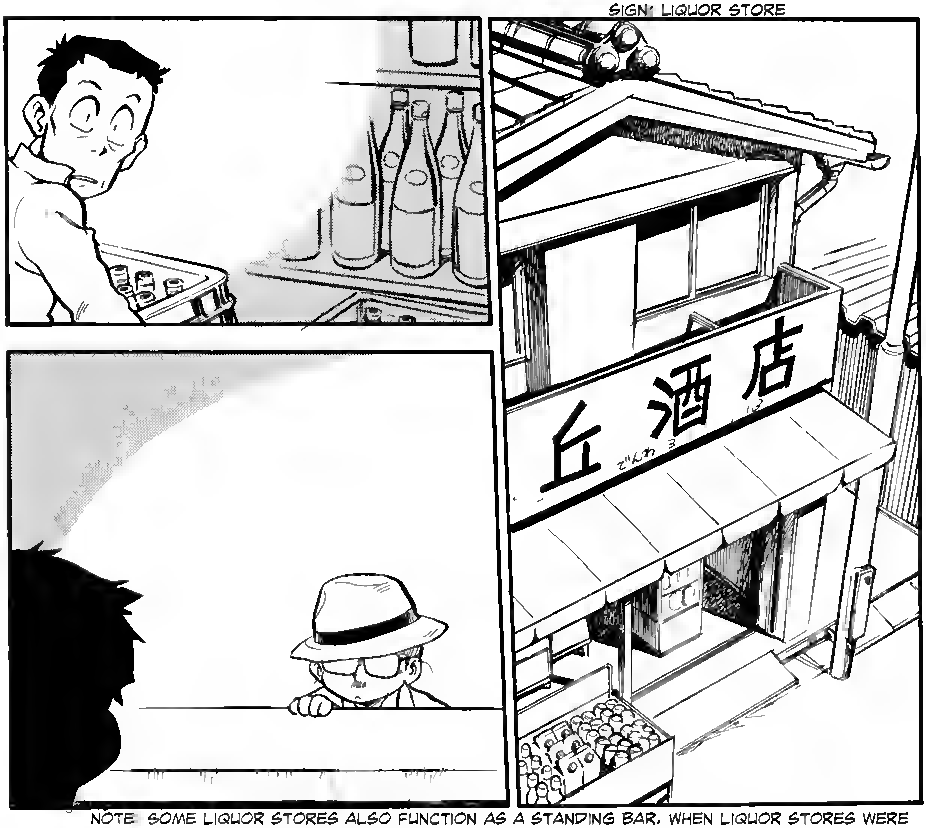
I tire of hearing that.
I DO! OF COURSE, I DO!
THIS TIME, I'LL DEFINITE-LY—!
A-A-ANYWAY,
I'LL JUST BE HEADING OUT, THEN!!

Aye.
GOLEM!
LET'S GO.
Papa's only gonna be annoyed at me if I stay here until he's found.
But... the intelligence division has yet to report any recent sightings of Wahhaman.
We're not gonna search at all.
So you intend for us to search blindly for him?
When you've been chewed out and left in a rotten mood...
Isn't it obvious?
Then where are we going?
Eh?



BOX: SUSHI

SIGN: LIQUOR STORE



NOTE: SOME LIQUOR STORES ALSO FUNCTION AS A STANDING BAR. WHEN LIQUOR STORES WERE MORE COMMON IN THE PAST, THEY OFTEN FUNCTIONED SIMILARLY TO MODERN DAY CONVENIENCE STORES IN THAT THEY WOULD ALSO STOCK VARIOUS DAILY ESSENTIALS INCLUDING FOOD AND SUNDRY GOODS. HOME DELIVERY WAS ALSO A COMMON PART OF THEIR SERVICE.

Gimme a drink.
AHAHA-HAHAHA-HAHA.
No way. Doesn't Matter how much you dress up,
I'M not serving alcohol to an elementary schooler.

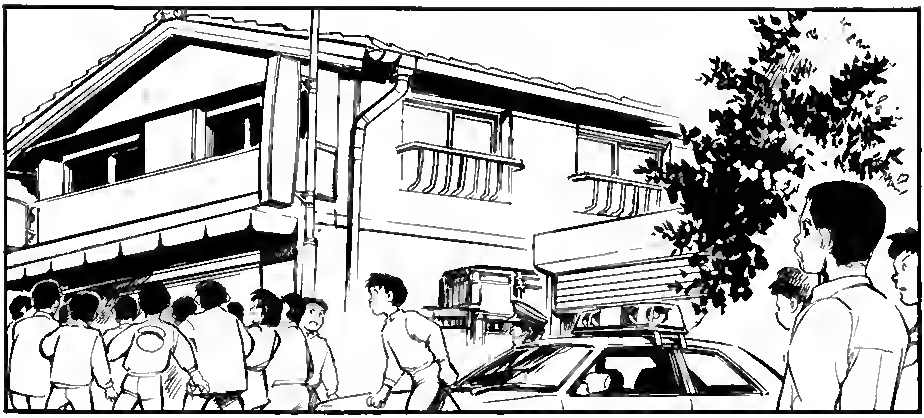
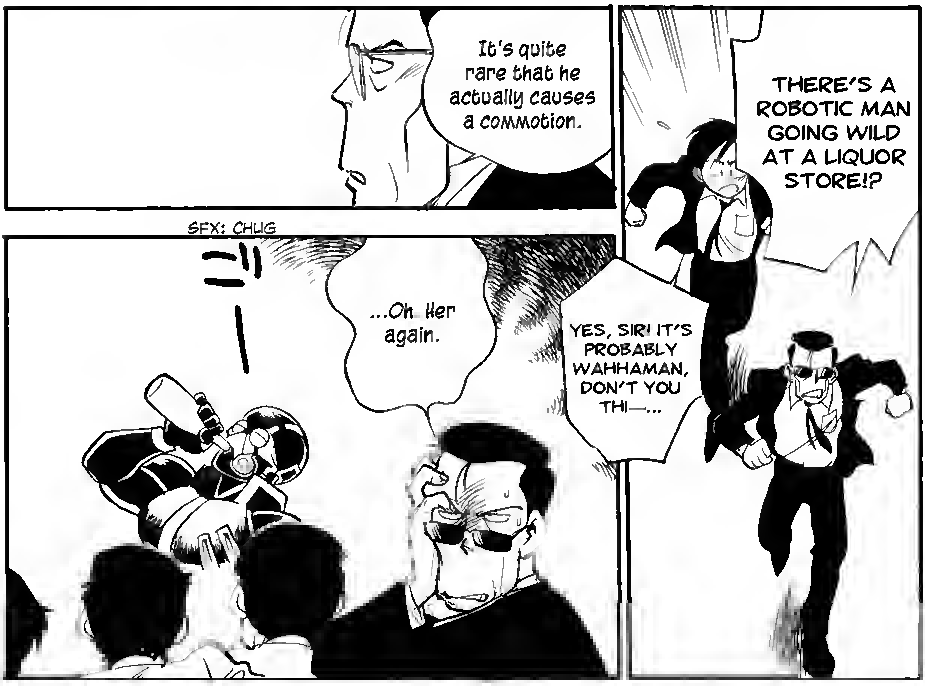
IT'S NOT ENOUGH!

NOTE: A TYPE OF SWEET RICE WINE USED FOR COOKING. WHILE LOWER GRADES MAY CONTAIN 1% OR LESS ALCOHOL, HIGH GRADE "HON-MIRIN" (LITERALLY "TRUE MIRIN") CONTAINS ~14% ALCOHOL AND IS GENERALLY ONLY FOUND AT LIQUOR STORES AND SELECT SUPERMARKETS.





It's quite rare that he actually causes a commotion.
THERE'S A ROBOTIC MAN GOING WILD AT A LIQUOR STORE!?
SFX: CHUG
